**All prices are quoted ex works and are in GBP sterling**

**SELF-CLEANING INTAKE STRAINERS FOR USE WITH SURFACE MOUNTED PUMPS**
**Rotorflush RF100 Series Self-cleaning filter up to 30 litres/min each head**

Self-Cleaning suction filters that fit to pumps, 60, 100 &amp; 260 micron nylon mesh, 1, 2, 3 or 4 headed

<b>Rotorflush Filter Model No</b>	<b>RF100 Nylon Mesh Self-cleaning Filter</b>
RF100 INDQ (single head filter)	£280.00
RF100 Duplex (double head filter)	£360.00
RF100 Triplex (triple head filter)	£450.00

**Rotorflush RF200A, AS and R series, 220 litres/min**

Rotorflush Self-Cleaning Filters that fit to suction hose of surface mounted pumps, stainless steel

<b>Rotorflush Filter Model No.</b>	<b>Filter Mesh Type</b>	<b>316 stainless Steel Cage</b>
RF200A	Nylon mesh 60, 115 or 300 mu	£1,600.00
RF200AS	Sintered stainless steel top mesh, 50, 100 or 315 mu	£1,860.00
RF200R	Perforated stainless steel mesh 3mm or 6mm	£1,860.00
RF200AR	Woven stainless steel mesh, 1mm or 2mm	£1,860.00

**Rotorflush RF200A-E and R-E series, 220 litres/min**

Rotorflush Self-Cleaning Filters that fit to suction hose of surface mounted pumps but have integral pump unit to drive backwash independently of surface pump, stainless steel

<b>Rotorflush Filter Model No.</b>	<b>Filter Mesh Type</b>	<b>316 stainless steel cage</b>
RF200A-E	Nylon mesh 60, 115 or 300 mu	£2,505.00
RF200A-E	Sintered stainless steel top mesh, 50, 100 or 315 mu	£2,770.00
RF200R-E	Perforated stainless steel mesh 3mm or 6mm	£2,770.00
RF200R-E	Woven stainless steel mesh, 1mm or 2mm	£2,770.00

**All prices are quoted ex works and are in GBP sterling**

**Rotorflush RF300AR, 560 litres/min**

Rotorflush Self-Cleaning Filters that fit to suction hose of surface mounted pumps, all 316 grade stainless steel

Rotorflush Filter Model No.	Filter Mesh Type	316 stainless Steel Cage
RF300AR	Sintered stainless steel top mesh, 50, 100 or 315 mu	£2,600.00
RF300AR	Woven stainless steel mesh, 1mm or 2mm	£2,600.00

**Rotorflush RF300AR-E, 560 litres/min**

Rotorflush Self-Cleaning Filters that fit to suction hose of surface mounted pumps but have integral pump unit built-in to drive the backwash independently of the surface pump, all 316 grade stainless steel

Rotorflush Filter Model No.	Filter Mesh Type	316 stainless Steel Cage
RF300AR-E	Sintered stainless steel top mesh, 50, 100 or 315 mu	£3,260.00
